

ANIMAL NUTRITION
Pishgam Damparvar Sepahan

About Us

Pishgam Damparvar Sepahan (PDS) was established in 2011 by a team of experts and animal nutritionists driven by a common goal: Better Nutrition, Healthier Life.

Equipped with one of the nation's most advanced and contemporary laboratories, PDS has diligently pursued its mission. To date, the company has achieved significant breakthroughs.

PDS established its first animal feed factory in 2015 in Sepehr Abad Industrial Park in the Iranian province of Isfahan with an annual production capacity of 43,500 tons.

Being committed to improvement of animal husbandry industry in Iran,

In 2018, PDS embarked on an ambitious project: constructing a comprehensive complex dedicated to the production of feed, supplements, additives, and medicines for livestock, poultry, and horses.

This state-of-the-art facility, located in Razi Industrial Park, spans approximately 60,000 square meters and boasts a daily production capacity of 1,000 tons across various product categories.
